NEWSLETTER

APRIL TO AUGUST

2020-21

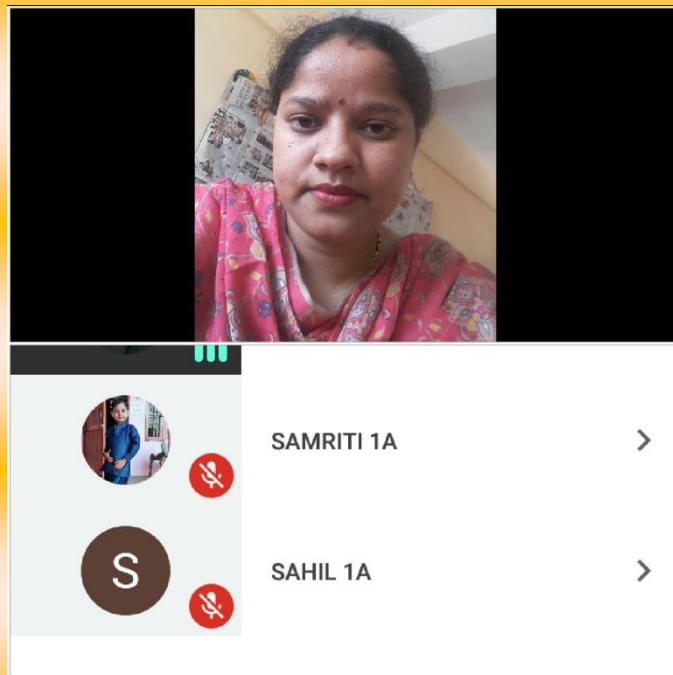

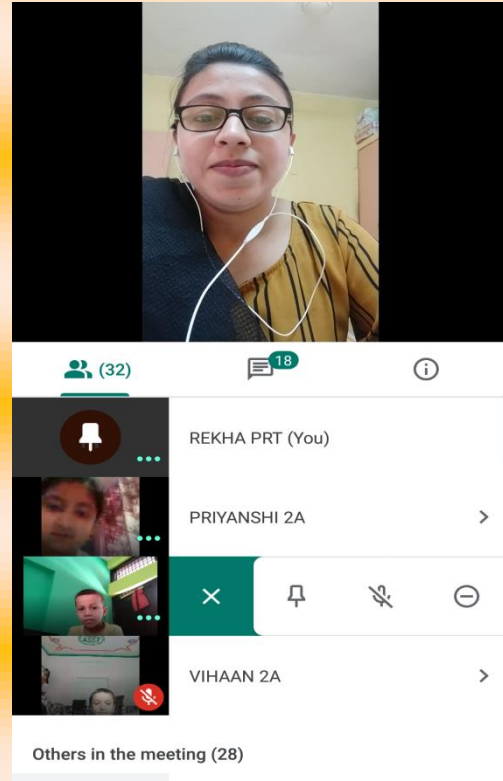

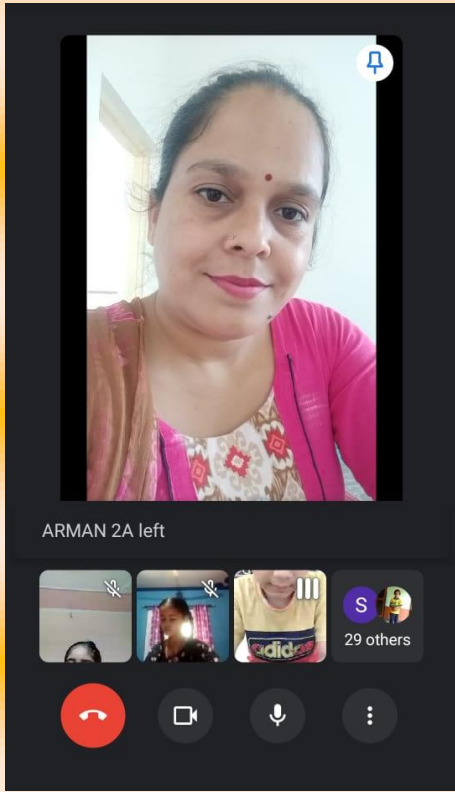

I am very glad to share the colours of budding stars of KV Naleti through the first edition of its Primary NEWSLETTER for the year 2020-21. It reflects the glimpse of various activities conducted for, by and of the Primary students under CMP of KVS. Various activities under CMP aim at exploring the energy and giving it proper direction in a way that children enjoy it. The value system and skill sets that the primary students acquire at this young age will define the direction of their future.

Release of the newsletter is a token of goodwill gesture of attainment levels of the primary students of KV Naleti. It is the window of their activities covering Common Minimum Programme under primary education. I sincerely thank and congratulate the stakeholders for their dedication and commitment towards the contribution for the newsletter.
