# FROM PRINCIPAL'S DESK

It is a matter of immense pleasure for us that the C.M.P. Newsletter of first quarter (APRIL-JUNE) of the academic session 2022-2023 of Kendriya Vidyalaya Naleti is ready to provide a wide spectrum of ideas with many shades of colours depicting the efforts, hopes and creativity of blooming young minds. CMP Newsletter is one of the most awaited internal publications, which chronicles various activities of the primary class students and the primary wing of the school in general. Each activity published in the newsletter is a reflection of the positive outlook and indigenous efforts of the teachers and students. I hope that we will continue with the same spirit and passion to make learning a joyful experience. I convey my best wishes to the contributors and also to the editorial team for this creative endeavour."

***"Learning is not the product of teaching. Learning is the product of the activity of learners.".... John Holt***
